Hey Guys,

Another HIV bottle issue. The customer will need to return the symtuza but he will keep the Triumeq. He also needs to return an Isentress 400. This was a mistake on the reps part, we did catch it yesterday and asked Dre to pull it from the order but it was pretty hectic at that time so I am sure he didn't get to it.

The Isentress 400 we will sell no problem. The symtuza was purchased from Gentek

Jenna Please submit a return request
